

# LET'S GET READY

**GIVING  
REPORT  
FY2021**

## **THANK YOU** **TO OUR CONTRIBUTORS**

We would like to thank everyone who made a financial investment in Let's Get Ready's programs and our students in FY21. We know this was another challenging year filled with uncertainty for many people across the country and around the world, and we are grateful for and humbled by the Let's Get Ready community's continued generosity and support.

We especially want to thank Let's Get Ready's National Board of Directors, the New England Advisory Board, and the Associates Council for their leadership, guidance, and hard work — and for their contributions of time, talent, and treasure to ensure that our students and staff had the support and resources necessary to navigate and succeed in these ongoing unprecedented times.

### **WE ARE GRATEFUL FOR AND HUMBLLED BY THE LET'S GET READY COMMUNITY'S CONTINUED GENEROSITY AND SUPPORT.**

Let's Get Ready envisions and is working towards a future in which students from all backgrounds have the support they need to attain a college degree, and we simply could not do the work we do without the support of everyone listed in these pages. As we embark on an ambitious strategic plan to double the number of students we serve by 2025, we are grateful for your continued support and are looking forward to a successful FY22 and beyond!

## MISSION STATEMENT

Let's Get Ready provides free SAT prep, admissions counseling, and post-enrollment mentoring to students from low-income backgrounds and who are first-generation-to-college. Our peer-driven program is administered by highly trained and highly effective college students who mentor younger students to and through college.
